📐 语法：现在进行时的被动语态

结构：am / is / are **being** + 过去分词

主语	形式	例句
I	am being + done	I **am being** watched.
he / she / it	is being + done	The road **is being** repaired.

主语	形式	例句
we / they	are being + done	The trees **are being** planted.

用法：表示"此刻正在被……"，强调动作正在进行且主语是承受者。

与一般现在时被动的区别： - The classroom **is cleaned** every day.（每天都被打扫——习惯） - The classroom **is being cleaned** now.（此刻正在被打扫——进行）

1. 漏掉 being：The road is repaired now.（×，缺"正在"）
2. being 后误用动词原形：is being repair（×）
3. 状态动词一般不用进行时：is being belonged to（×）
4. The bridge __ (build) at the moment. → **is being built**
5. Look! The car __ (wash) by my father. → **is being washed**
6. 改错：The house is being paint by workers. → **painted**

✍️ 写作：非正式信件（informal letter）

结构：称呼 → 开头问候 → 主体（2 段：学校生活 + 感受）→ 结尾期待回信 → 署名

1. **How's it going?** 最近怎么样？
2. **I've been here for a week, and I'm slowly getting used to...** 我来这儿一周了，正慢慢适应……
3. **The thing I like most is...** 我最喜欢的是……
4. **It's a bit hard to..., but I'm working on it.** ……有点难，但我正在努力。
5. **Write back soon and tell me about...** 快回信，跟我说说……

📖 阅读技能：找主题句

说明文/记叙文的主题句常在**段首或段尾**。先看首句，再看末句；如果首句是细节，末句往往总结。练习时用笔划出每段第一句，读完再回看是否覆盖全段。

例题 1 · L1 词汇

用方框中的词填空：digital / typical / routine / earn / challenge

1. It is a _____ day for a student: classes, lunch, homework.
2. Many people _____ a living by writing.
3. Learning a new language is a real _____.
4. My morning _____ starts with a run.
5. We live in a _____ age.

解析：1. typical　2. earn　3. challenge　4. routine　5. digital

💥 **陷阱**：第 1 题容易填 digital（"数字的一天"），但句意是"典型的一天"。

变式：用 inspire 造句，表达"这本书激励我学英语"。（The book inspired me to learn English.）

例题 2 · L2 语法

把下列句子改为现在进行时的被动语态： 1. They are building a new library. 2. Someone is repairing my bike. 3. The workers are planting trees.

解析： 1. A new library **is being built**. 2. My bike **is being repaired**. 3. Trees **are being planted** by the workers.

💥 **陷阱**：第 1 题漏掉 being，写成 is built，变成"一般现在时被动"。

变式：把 "The room is being cleaned." 改为一般疑问句。（Is the room being cleaned?）

例题 3 · L3 翻译

翻译下列句子： 1. 这所学校正在被重建，所以我们暂时在临时教室里上课。 2. 让我印象最深的是这里的人：他们总是乐于回应别人的求助。 3. 虽然日程很紧，我还是设法按时完成了项目。

参考译文： 1. The school **is being rebuilt**, so we are having classes in temporary classrooms for now. 2. What **impressed** me most was the people here: they are always ready to **respond to** others' requests for help. 3. Although the **schedule** was tight, I managed to finish the project **on schedule**.

采分点：① 现在进行时被动 is being rebuilt；② impress 的用法 / respond to；③ on schedule 与 although 引导的让步状语从句。

💥 陷阱：第 1 句写成 is rebuilt（缺"正在"）；第 3 句把 on schedule 写成 in schedule。

变式：把第 2 句改为强调句：It was the people here that impressed me most.

⏱️ 限时挑战（60 秒）

① digital 的反义词（提示：纸质）？② "is being discussed" 的中文意思？③ earn a living 的意思？

> 答案：① paper / printed ② 正在被讨论 ③ 谋生

was/were going to do	过去打算做	We **were going to** leave at six.

形式	含义	例句
was/were about to do	过去即将做	She **was about to** speak when the bell rang.

用法：常用于宾语从句（said, thought, knew 之后）或叙述过去某时之后将发生的事。

1. 与一般将来时混用：He said he will come.（×，主句过去时，从句用 would）
2. was about to 后加具体时间：was about to leave at six（×，about to 强调"马上"，不加具体时间）
3. would 与 used to 混淆：would 只表"过去常做（带感情）"，used to 强调"现在不做了"

2. Public _____ in this city is cheap and clean.
3. From the top of the hill, the _____ is amazing.
4. Don't miss the _____ to try local food.
5. Our final _____ is a small village by the sea.

解析：1. former　2. transport　3. view　4. opportunity　5. destination

💥 **陷阱**：第 1 题容易填 historic，但"旧都"强调"以前的"，用 former。

变式：用 contribute to 造句，表达"旅游业促进了这座城市的发展"。→ Tourism contributes to the development of the city.

例题 2 · L2 语法

把下列句子改为过去将来时（主句用过去时）： 1. She says she will visit the old town. 2. They are going to take the train. 3. We are about to leave.

解析： 1. She said she **would visit** the old town. 2. They said they **were going to take** the train. 3. We **were about to leave** when he called.

We **were going to** visit the museum the next day, but a heavy rain made us change our plan. 3. **In my view**, the meaning of travel lies not in the **destination** but in the discoveries along the way.

采分点：① date back to + millions of；② were going to + make somebody do；③ in my view + not...but...

💥 陷阱：第 1 句 date back to 用成被动（is dated back to）；第 3 句 not...but... 结构不完整。

变式：把第 1 句改为定语从句：The bridge, which dates back to the Ming Dynasty, attracts millions of visitors every year.

⏱️ 限时挑战（60 秒）

2. **We set off at dawn, ...** 我们黎明出发，……
3. **Just as we..., something unexpected happened.** 就在我们……时，意外发生了。

📖 阅读技能：梳理游记时间线

游记按时间推进：先找**时间标志词**（at dawn, later, by noon, finally），再找**地点变化**（moved on to, arrived at）。转折处（but, however, suddenly）往往是故事重点，也是考题常设处。

2. Wildlife _____ is important for the planet.

4. The bird managed to _____ from the cage.
5. Please read the safety _____ before you start.

解析：1. track　2. conservation　3. enthusiasm　4. escape　5. guidelines

陷阱：第 5 题 guideline 常用复数 guidelines。

变式：用 do harm to 造句，表达"乱扔垃圾会伤害野生动物"。→ Littering can do harm to wildlife.

例题 2 · L2 语法

用 -ed 形式改写： 1. Because he was tired, he stopped walking. 2. If we were given more time, we would explore the valley. 3. When it is seen from the top, the village looks tiny.

解析： 1. **Tired**, he stopped walking. 2. **Given** more time, we would explore the valley. 3. **Seen** from the top, the village looks tiny.

陷阱：第 3 题用 Seeing（主动）导致逻辑主语错误。

变式：用 "followed by" 造句：The guide walked ahead, followed by six tourists.

例题 3 · L3 翻译

翻译下列句子： 1. 沿着山间小路走，我们看到了许多在城市里见不到的鸟。 2. 受到当地人的热情鼓舞，我们决定多留两天。 3. 回头看这次旅行，我意识到真正的收获不是照片，而是对自然的新认识。

采分点：① -ing 作状语 + 定语从句；② -ed 作状语（Encouraged by）；③ look back on + not...but...

💥 陷阱：第 1 句用 Walked（被动）导致逻辑主语错误；第 2 句 encourage 后介词用成 with。

变式：把第 3 句改为强调句：It is not photos but a new understanding of nature that is the real gain.

should/ought to have done	本应该做（却没做）	You **should have checked** the facts.

1. 都表示"对过去的推测/评价"
2. must have done 只用于肯定句；否定推测用 can't have done
3. should have done 含责备；needn't have done 含"多余"
4. mustn't have done 表推测（×，mustn't 表禁止）
5. should have done 与 should do 混用：You should check it yesterday.（×）
6. needn't have done 与 didn't need to do 混用（前者"做了但不必"，后者"没做"）
7. The ground is wet. It __ (rain) last night. → **must have rained**
8. You __ (not tell) him the truth; he already knew. → **needn't have told**

📖 阅读技能：读词源与定义

词源类文章常用 "come from, originally meant, evolved from" 等表达。读时画出"词—来源—今义"三栏，做细节题时按时间顺序核对。

例题 1 · L1 词汇

用方框中的词填空：estimate / evolve / alternative / superior / combine

1. Scientists _____ that the word is over 1,000 years old.
2. Languages _____ slowly over centuries.
3. There is no _____ to practice if you want to improve.
4. This dictionary is _____ to the old one.
5. The novel _____ humour with tragedy.

解析：1. estimate　2. evolve　3. alternative　4. superior　5. combines

💥 **陷阱**：第 4 题 superior 后接 to，不接 than。

变式：用 be set in 造句，表达"这部小说以 19 世纪的伦敦为背景"。→ The novel is set in 19th-century London.

例题 2 · L2 语法

用 "情态动词 + have done" 填空：　1. She looks happy. She _ *(get) good news. 2. You* _ (not tell) lies; now everyone is confused. 3. He __ (not finish) the report; it's still on his desk.

解析：1. must have got　2. shouldn't have told　3. can't have finished

💥 **陷阱**：第 3 题用 mustn't have finished（×，否定推测用 can't）。

变式：用 needn't have done 改写："You waited for me, but it was not necessary." → You needn't have waited for me.

例题 3 · L3 翻译

翻译下列句子： 1. 这部小说把幽默与悲伤结合在一起，以 19 世纪的伦敦为背景。 2. 你本不必熬夜准备，考试其实不难。 3. 作者对主人公的描写令人印象深刻，展现了正直与勇气。

参考译文： 1. The novel **combines** humour **with** sadness and **is set in** 19th-century London. 2. You **needn't have stayed up** preparing; the exam was actually not difficult. 3. The author's **portrayal** of the hero is **impressive**, showing **integrity** and courage.

采分点：① combine...with + be set in；② needn't have done；③ portrayal of + 现在分词作状语。

💥 陷阱：第 2 句用 didn't need to stay up（语法可，但原句强调"已熬夜"）；第 3 句 portrayal 后漏 of。

变式：把第 1 句改为非限制性定语从句：The novel, which combines humour with sadness, is set in 19th-century London.
